

OM Village 1 Space Usage and Storage Policy

304 N 3rd St

The purpose of this policy is to define space usage and storage as listed in the Community Agreement for OM Village 1, located at 304 N 3rd Street.

Storage of personal items must stay within the building footprint. This applies to the tiny house “pads”, one foot square around the tiny houses. Areas between the tiny house pads will be maintained as agreed upon by the two residents of the houses in conjunction with the OM Beautification group if needed.

Personal items will not be stored in communal spaces with the exception of refrigerated or frozen food per Community Agreement item e, “I will respect community property and space”. Refrigerated or frozen food will be labelled with the resident’s name, otherwise food is considered communal property.

Additional storage space may be allocated by agreement of $\frac{3}{4}$ of the residents of OM Village.

Approved by OM Village 1 residents on *October 10, 2021*
